	White Crystal Singing Bowl	C1SC007	None of the designs on the bowl, totally in pure white, the most popular style From 6 to 24 inches, and from tone A to G, a lot of styles to choose The giveaway is a stick and rubber band
	Colorful Singing Bowl	C1SC008	There are two ways of plating: outside plating and inside plating The final color would be a little different between them but the color rendering is great The factory also could offer bags from each set, which gets a liner inside so the bowls won't get smashed
	Aura Electroplated Singing Bowl	C1SC009	Different from the frosted style, this bowl would be more bright With the aura color outside, it is easy to get into a magnificent "world" The 6 inches size is the most popular
	Singing Bowl in Hand	C1SC010	This handheld crystal singing bowl is made from pure quartz, producing clear, calming sounds for meditation and relaxation. Its compact size makes it easy to carry, perfect for personal energy cleansing or sound therapy sessions anywhere. The bowl's vibrations help reduce stress and enhance focus, blending spiritual healing with everyday wellness.
	Triangular Crystal Instrument	C1SC011	This triangular crystal percussion instrument is used to produce soothing, resonant tones for meditation and sound healing. Its vibrations promote deep relaxation, mental clarity, and energy balance, ideal for both beginners and practitioners. There is also a rainbow color for this instrument
	Crystal Tuning Fork	C1SC012	This handheld crystal tuning fork is producing clear vibrations for sound therapy and energy alignment. Its compact size allows easy use in meditation, chakra balancing, or personal relaxation routines anywhere. The precise frequencies help calm the mind, reduce stress, and enhance spiritual focus with minimal effort.
