	Amethyst Flower Hairpin	C1SC066	This hairpin is made of amethyst flower material, integrating natural crystal elements into daily hair accessories, combining creativity and practicality. The amethyst flower presents a dreamy purple color, matched with a metal clip body, and is available in silver, golden styles. The shape is exquisite and full of natural charm.
	Moon Natural Stone Chips Hairpin	C1SC067	This hairpin is made of natural stone and designed in the shape of the moon, combining natural texture with creative aesthetics. As a hairstyle decoration, it can not only fix the hair, but also embellish the shape with the natural beauty of the moon shape and natural stone, showing a personalized fashion style.
	Natural Stone Chips Hairpin	C1SC068	This hairpin is made of natural stone, which cleverly combines practical functions with natural aesthetics. The golden wavy clip body is uniquely designed, with natural stones such as amethyst and citrine in series, which is rich in color and layered.
	Howlite Beads Viking Bracelet	C1SC069	The bracelet is mainly composed of howlite beads, interspersed with zinc alloy decorative beads engraved with Viking runes. The rune patterns are clear and the design is full of mysterious Nordic style. When worn, the warm texture of howlite and the unique shape of zinc alloy runes complement each other, which not only highlights personal taste, but also conveys the charm of retro culture.
	Golden Rutilated Crystal Beads Keychain	C1SC070	This product combines 10mm golden rutilated crystal, nephrite, southern agate and other materials, and integrates the functions of keychain and mobile phone chain. As a practical pendant, it not only meets the needs of storing keys and decorating mobile phones, but also enhances the exquisiteness of daily items with the unique charm of natural materials.
	Citrine Beads Bracelet	C1SC071	Citrine beads are strung into a ring-shaped main body, matched with eye-catching southern agate and fresh synthetic turquoise, with distinct color layers. As a fashion accessory, it not only shows the unique charm of natural materials, but also uses the meaning of "transferring luck" to give the wearer a good expectation.
	Agate Geode Mirror	C1SC072	The round mirror is matched with a metal bracket, and the bottom is made of natural agate geode. It integrates the functions of makeup mirror and jewelry storage in one, and the design is exquisite and practical. It can be used as a daily makeup mirror, and the base space can also store small accessories, which perfectly combines beauty and practicality.
