	Aquamarine Chips Resin Mermaid Phone Holder	C1SC032	This product combines natural aquamarine stones and clear resin in a magical mermaid tail design, perfect for holding your phone. Its sturdy base keeps your device secure while adding a touch of ocean charm to your desk. A unique gift that blends art and function for daily use or decor!
	Kyanite Butterfly	C1SC033	The kyanite's natural blue hues shift in depth, making each butterfly seem alive with its own soul. These handcrafted pieces add charm to jewelry or DIY projects, perfect for daily style or special gifts.
	Natural Stone Ball Net Hanging	C1SC034	Crafted from natural crystal balls in vibrant hues, each paired with a handwoven cord for unique elegance. These gems shine as wall hangings, adding a lively natural touch to your space. With soothing energy from different colors, they calm your mind while brightening your room—perfect for healing decor or mindful gifting.
	Ghost Crystal Water Drop Necklace	C1SC035	The necklace made of ghost crystal has a unique texture, like a dreamy natural painting. Water drop shaped pendant, with a black lanyard and colorful beads, is simple yet exquisite. Whether it is daily wear or special occasions, this necklace can add unique charm.
	Amethyst Duse Water Drop Necklace	C1SC036	The necklace is based on amethyst duse. The natural crystals are unique in shape and emit a mysterious and dreamy purple light. Paired with a black lanyard and colorful beads, the beauty of amethyst is highlighted in simplicity. As a fashion accessory, it can show individual charm whether paired with casual or formal wear.
	Strawberry Quartz Bracelet	C1SC037	The bracelet made of strawberry crystals is gorgeous in color, and the dots in the crystals are as unique as strawberry seeds. Its smooth, rounded design feels comfortable and adds elegance to any look. Said to attract love, it's not just a stylish accessory but also carries sweet symbolism for romance.
